Prof.(Dr.) P. K. Sasidharan

Dear Members, Delegates & Esteem Faculty,

It is with great pleasure and honour that I extend a warm welcome to each one of you to the upcoming 5th European Haematology Association (EHA) tutorial in collaboration with the Indian Society of Haematology & Blood Transfusion (ISHBT) to be held at HICC Hotel Novotel Hyderabad, India. Like the previous tutorials held in India before, this too is going to be immensely beneficial to all the participants.

I am excited to see the gathering of professionals and experts in the field who have dedicated themselves to advancing knowledge and practices in Haematology and Blood Transfusion. The desirable changes should be socially relevant and economically feasible in the places of their work and practice. The objective of the tutorial is knowledge sharing and becoming aware of the latest trends in diagnosing and managing Haematological problems,

ISHBT Society plays a pivotal role in harbouring scientific investigation and providing a platform for national – level discussions on Haematological subjects. This conference is an opportunity for us to share insights, exchange ideas and collaborate towards the betterment of patient care and healthcare practices in the domain.

I encourage active participation, encouraging discussions and networking throughout the event. Let's collectively contribute to the growth of our society and the advancement of knowledge in Haematology and Blood Transfusion.

Thank you for your dedication and commitment to our shared mission. I look forward to fruitful interactions and a successful conference.

Best Regards
Prof Dr. PK Sasidharan
President, ISHBT
